3. The company (or individual) is using equipment that meets the Freeview antenna specification (as provided on the Freeview website).
4. The company (or individual) is willing to sign and return the attached declaration and by doing so:
 - a. Warrant that they meet (and will continue to met) the criteria (in 1-3 above), including informing Freeview should this situation change.
 - b. Acknowledge that Freeview at its sole discretion may remove a listed company should it have cause to do so. This may include but is not limited to installation complaints received by Freeview.
